

ANNOUNCEMENT

The U.S. Court of Appeals for the Fifth Circuit announces that beginning with cases heard in late May 2008, recordings of oral argument are available to the public on the Internet at <http://www.ca5.uscourts.gov/OralArgumentRecordings.aspx>

Oral argument recordings generally are available late in the day argument is held. Listeners using “Windows Media” software can search for an argument by case number, date, case title or attorney’s name. We plan on keeping archived arguments available for an indefinite period.
