Appeal from the United States District Court for the
Western District of Texas

(93 CV 259)

September 15, 1995

Before GARWOOD, DUHÉ and PARKER, Circuit Judges.*

PER CURIAM:

Being essentially in agreement with the reasoning of the court below, the judgment of the district court is

AFFIRMED.

* Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.
