Appeal from the United States District Court  
for the Eastern District of Louisiana

(95-CV-4174-R)

---

January 28, 1999

Before EMILIO M. GARZA, BENAVIDES, and DENNIS, Circuit Judges.

PER CURIAM:\*

Plaintiffs-Appellants, franchisees of Speedee Oil Change Systems, Inc., appeal the ruling of the district court granting the defendants' motion for summary judgment. The district court concluded that the plaintiffs' tying claims failed to satisfy the requisites of federal and state antitrust laws.

Having considered the evidence in the record, the briefs, and the oral arguments, we find no reversible error in the district court's decision. Accordingly, the judgment of the district court is **AFFIRMED**.
