

IN THE UNITED STATES COURT OF APPEALS
FOR THE FIFTH CIRCUIT

No. 01-50203
Conference Calendar

UNITED STATES OF AMERICA,

Plaintiff-Appellee,

versus

CLAUDIO ENRIQUEZ-VILLA,
also known as Claudio Enriquez,

Defendant-Appellant.

Appeal from the United States District Court
for the Western District of Texas
USDC No. EP-00-CR-952-ALL-H

August 23, 2001

Before KING, Chief Judge, and POLITZ and PARKER, Circuit Judges.

PER CURIAM:*

Claudio Enriquez-Villa appeals the 46-month term of imprisonment imposed following his guilty plea conviction of being found in the United States after removal in violation of 8 U.S.C. § 1326. Enriquez-Villa argues that his sentence should not have exceeded the two-year maximum term of imprisonment prescribed in 8 U.S.C. § 1326(a). Enriquez-Villa acknowledges that his argument is foreclosed by the Supreme Court's decision in Almendarez-Torres v. United States, 523 U.S. 224 (1998), but

* Pursuant to 5TH CIR. R. 47.5, the court has determined that this opinion should not be published and is not precedent except under the limited circumstances set forth in 5TH CIR. R. 47.5.4.

seeks to preserve the issue for Supreme Court review in light of the decision in Apprendi v. New Jersey, 530 U.S. 466 (2000).

Apprendi did not overrule Almendarez-Torres. See Apprendi, 530 U.S. at 489-90; United States v. Dabeit, 231 F.3d 979, 984 (5th Cir. 2000), cert. denied, 121 S. Ct. 1214 (2001). Enriquez-Villa's argument is foreclosed. The judgment of the district court is AFFIRMED.

The Government has moved for a summary affirmance in lieu of filing an appellee's brief. In its motion, the Government asks that the judgment of the district court be affirmed and that an appellee's brief not be required. The motion is GRANTED.

AFFIRMED; MOTION GRANTED.
