Appeals from the United States District Court  
for the Southern District of Texas  
B-01-CV-142  
-----

Before REAVLEY, HIGGINBOTHAM and BENAVIDES, Circuit Judges.

PER CURIAM:\*

Appellants appeal the district court's grant of summary judgment in favor of Appellee in this interpleader action. Having heard oral argument and having reviewed the briefs, the record, and the applicable law, the Court finds no error in the district court's disposition of this case.

---

\* Pursuant to 5TH CIR. R. 47.5, the Court has determined that this opinion should not be published and is not precedent except under the limited circumstances set forth in 5TH CIR. R. 47.5.4.

For substantially the same reasons set forth by the district court in the Order of September 5, 2002, and in the Order and Memorandum of December 16, 2002, summary judgment in favor of Appellee was proper.

Appellee's request that this case be dismissed as moot because of the previous disbursement of funds is DENIED. Finally, Appellants' renewed motion to restore funds previously disbursed from the district court's registry pending this appeal is DISMISSED AS MOOT.

The judgment of the district court is AFFIRMED.
