committed against a victim who is 16 years of age. The Government moves for summary affirmance or, in the alternative, for an extension of time to file a brief.

As Cervantes concedes, his argument is foreclosed by circuit precedent. *See United States v. Ayala*, 542 F.3d 494, 495 (5th Cir. 2008); *United States v. Zavala-Sustaita*, 214 F.3d 601, 604 (5th Cir. 2000). Accordingly, the judgment of the district court is AFFIRMED, and the Government's motion for summary affirmance is GRANTED. The alternative request for an extension of time to file a brief is DENIED.
