No. 18-10444

High School on charges of bringing a hoax bomb to school. In disposing of this case on a motion to dismiss based on qualified immunity, the district court wrote an exceptionally thorough opinion, consisting of some fifty-nine pages, covering every detail of the facts and law implicated in this case. After reviewing the briefs, pertinent portions of the record, and applicable law, we can find no error in the district court's grant of qualified immunity dismissing the complaint against the appellees. Consequently, the judgment of the district court is AFFIRMED. *See* 5TH CIR. R. 47.6.
