No. 22-30254

---

Appeal from the United States District Court  
for the Western District of Louisiana  
USDC No. 3:21-cv-03686

---

Before JONES, HAYNES, and OLDHAM, *Circuit Judges*.

PER CURIAM:\*

This court must examine the basis of its jurisdiction, on its own motion if necessary. *Hill v. City of Seven Points*, 230 F.3d 167, 169 (5th Cir. 2000). In this 42 U.S.C. § 1983 case, the district court granted a partial dismissal of the Plaintiff's claims without stating it was a final judgment or asserting a Federal Rule of Civil Procedure 54(b) designation. "Federal appellate courts have jurisdiction over appeals only from (1) a final decision under 28 U.S.C. § 1291; (2) a decision that is deemed final due to jurisprudential exception or that has been properly certified as final pursuant to Fed. R. Civ. P. 54(b); and (3) interlocutory orders that fall into specific classes, 28 U.S.C. § 1292(a), or that have been properly certified for appeal by the district court, 28 U.S.C. § 1292(b)." *Askanase v. Livingwell, Inc.*, 981 F.2d 807, 809-10 (5th Cir. 1993). This partial dismissal is not a final or otherwise appealable order. Accordingly, the appeal is DISMISSED for want of jurisdiction.
