Appeal from the United States District Court
For the Eastern District of Louisiana

CA 89 4417 "M"

(December 11, 1992)

Before HIGGINBOTHAM, SMITH, and DeMOSS, Circuit Judges.

PER CURIAM:*

For the reasons set forth by the trial judge in minute entry

*Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.

dated May 22, 1991 in Civil Action 89-4417 on the docket of the United States District Court for the Eastern District of Louisiana, we affirm:

A. The judgment entered under date of August 29, 1991 which dismissed plaintiff's claim against the federal defendants under the Racketeer Influenced and Corrupt Organization Act, and granted summary judgment to the federal defendants on plaintiff's claims under the Taking Clause and the Due Process Clause of the United States Constitution; and

B. The order entered under date of September 6, 1991 which granted the motion to dismiss filed by Defendant Timothy Ryan, Director, Office of Thrift Supervision,

both of which were certified for appeal to this Court by the trial judge under Rule 54(b) of the Federal Rules of Civil Procedure.

We now remand this case to the trial court for such further proceedings as may be necessary as to the remaining defendants and causes of action.
