Appeals from the United States District Court for  
the Northern District of Texas  
(CA3-92-0383-T & CA3-92-0382-T)

---

(February 17, 1993)

Before REAVLEY, DAVIS and DEMOSS, Circuit Judges.

PER CURIAM:\*

There is no distinction between the facts of these consolidated cases and the facts recited in *NCNB Texas National Bank v. P&R Investments No. 6*, 962 F.2d 518 (5th Cir. 1992), that could permit a result here that differs from that in *P&R Investments*. We therefore VACATE the district court's remand orders in these cases and REMAND them for further federal proceedings.

\*Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.
