and

PERRY A. VERDIN,

Plaintiff-Appellee,

versus

SEA-LAND SERVICE, INC.,

Defendant-Appellant
Cross-Appellee.

Appeals from the United States District Court
for the Eastern District of Louisiana
CA 90 4352 M

April 12, 1993

Before POLITZ, Chief Judge, KING and DUHE, Circuit Judges.

PER CURIAM:*

Before the court are cross appeals of the parties in this maritime collision litigation. Having considered the briefs, oral arguments of counsel, and pertinent parts of the record, and applying controlling standards of review and finding no reversible error, the judgment appealed is, in all respects, AFFIRMED.

*Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.
