

IN THE UNITED STATES COURT OF APPEALS  
FOR THE FIFTH CIRCUIT

---

No. 93-1416

---

UNITED STATES OF AMERICA,

Plaintiff-Appellee,

versus

MARY LOU GARCIA, CHRIS ESCOBEDO  
and RUDY SANCHEZ,

Defendants-Appellants.

---

Appeal from the United States District Court  
for the Northern District of Texas  
(3:92-CR-444-X)

---

(September 1, 1994)

Before HIGGINBOTHAM, JONES, and BARKSDALE, Circuit Judges.

PER CURIAM:\*

This is another criminal case arising from the financial debacle surrounding savings and loan associations. Three defendants attack their convictions for bank fraud and money laundering following a bench trial. After oral argument in this case, we are persuaded that the convictions should be summarily affirmed. Defendants have been ably represented, but the evidence against them is overwhelming.

---

\* Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.

AFFIRMED.
