

UNITED STATES COURT OF APPEALS  
FOR THE FIFTH CIRCUIT

---

No. 93-1748  
Summary Calendar

---

JOHN HALKIAS,

Plaintiff-Appellant,

versus

GENERAL DYNAMICS CORPORATION,

Defendant-Appellee.

---

Appeal from the United States District Court  
for the Northern District of Texas  
(4:92-CV-421-A)

---

(April 7, 1994)

Before DAVIS, JONES, and DUHÉ, Circuit Judges.

PER CURIAM:\*

This court has carefully reviewed the summary judgment record in this case. It supports the district court's grant of summary judgment to defendant, a decision based also on correct interpretation of applicable precedent. The Supreme Court's decision in St. Mary's Honor Center v. Hicks, 509 U.S. \_\_\_, 113 S. Ct. 2742 (1993) does not conflict with the trial court's ruling.

---

\* Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.

Appellant's "evidence" simply raised no genuine issue of material fact as to whether defendant intentionally discriminated against him because of his age.

The judgment of the district court is **AFFIRMED.**
