

IN THE UNITED STATES COURT OF APPEALS
FOR THE FIFTH CIRCUIT

No. 93-3488

UNITED STATES OF AMERICA,
Plaintiff-Appellee,
versus
RAYMOND AUGUSTA,
Defendant-Appellant.

No. 93-3495

UNITED STATES OF AMERICA,
Plaintiff-Appellee,
versus
JOSEPH E. SEYMOUR
Defendant-Appellant.

Appeals from the United States District Court
for the Eastern District of Louisiana
(CR-92-353 A)

(March 22, 1994)

Before REAVLEY, GARWOOD, and HIGGINBOTHAM, Circuit Judges.

PER CURIAM:*

*Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.

We are persuaded that the district court correctly sentenced by considering the amount of cocaine under negotiation, although slightly less than the amount actually tendered. See United States v. Garcia, 889 F.2d 1454 (5th Cir. 1989). The remaining issues are without merit and do not warrant elaboration.

AFFIRMED.
