Petition for Review of an Order of
the Immigration and Naturalization Service

(A28-327-940)

(May 27, 1994)

Before GARWOOD, SMITH and DeMOSS, Circuit Judges.

PER CURIAM:*

Having carefully considered the briefs and relevant portions of the record herein, we are satisfied that the decision of the Board of Immigration Appeals entered on July 16, 1993, is based on substantial evidence, correctly states the law, and should be affirmed.

Accordingly, the petition for review of such decision is DENIED.

* Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.
