OSCAR RENDA, ERNEST RENDA and

Plaintiffs-Appellants,

versus

JACK HORNER, BUCHART-HORN CONSULTING
ENGINEERS and PACE RESOURCES, INC.,

Defendants-Appellees.

Appeal from the United States District Court for the
Eastern District of Texas
(4:93-CV-21)

(June 13, 1995)

Before JOLLY and BENAVIDES, Circuit Judges, and FITZWATER*,
District Judge.

PER CURIAM:**

Having reviewed the briefs and record on appeal, and after considering counsels' oral argument, we find no error that would require reversal of the judgment of the district court. Accordingly, the judgment of the district court is AFFIRMED.

* District Judge of the Northern District of Texas, sitting by designation.

** Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.
