

IN THE UNITED STATES COURT OF APPEALS
FOR THE FIFTH CIRCUIT

No. 94-60246
Conference Calendar

UNITED STATES OF AMERICA,

Plaintiff-Appellee,

versus

RAFAEL GONZALEZ-VELASQUEZ,

Defendant-Appellant.

- - - - -
Appeal from the United States District Court
for the Southern District of Texas
USDC No. CR-C-93-247-2
- - - - -

June 29, 1995

Before JONES, WIENER, and EMILIO M. GARZA, Circuit Judges.

PER CURIAM:*

Rafael Gonzalez-Velasquez has failed to demonstrate that his sentences, which are within the Sentencing Guidelines, are plainly erroneous. United States v. Calverley, 37 F.3d 160, 162 (5th Cir. 1994) (en banc), cert. denied, 115 S. Ct. 1266 (1995). Gonzalez' suggestion that the district court erred by imposing a consecutive sentence upon the revocation of his prior term of supervised release is frivolous. See U.S.S.G. § 7B1.3(f), p.s.

AFFIRMED.

* Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the court has determined that this opinion should not be published.
