UNITED STATES OF AMERICA,

Appeal from the United States District Court
for the Southern District of Texas
(CA L 91 103)

March 28, 1995

Before SMITH, EMILIO M. GARZA, and PARKER, Circuit Judges.

PER CURIAM:*

The judgment is AFFIRMED, essentially for the reasons set forth by the district court in its thorough Order Granting Summary Enforcement of Summons. The district court correctly relied upon this court's recent decision in United States v. Barquero,

* Local Rule 47.5.1 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that rule, the court has determined that this opinion should not be published.

18 F.3d 1311 (5th Cir. 1994). Remarkably, in his briefs the plaintiff makes absolutely no effort to explain why Barquero is not dispositive of this appeal.
