Appeal from the United States District Court
for the Northern District of Texas
USDC No. 3:94-CV-714-D
- - - - -

January 23, 1996

Before GARWOOD, JONES and DeMOSS, Circuit Judges.

PER CURIAM:*

Art Leerskov appeals the district court's affirmance of the agency decision denying him social security disability and supplemental income benefits for a closed period. He argues that the findings of the administrative law judge (ALJ) concerning a somatoform disorder are not supported by substantial evidence. He also argues that the ALJ erred in discounting the medical opinions and methodologies of the treating physician and his associate, thus erring in the conclusion that Leerskov was not disabled.

* Pursuant to Local Rule 47.5, the court has determined that this opinion should not be published and is not precedent except under the limited circumstances set forth in Local Rule 47.5.4.

We have carefully reviewed the record and the arguments. We detect no error. Accordingly, we affirm for essentially the same reasons given by the district court. See Leerskov v. Shalala, No. 3:94-CV-0714-D (N.D. Tex. June 29, 1995).

AFFIRMED.
