Defendant-Appellee.

Appeal from the United States District Court  
for the Eastern District of Texas  
USDC No. 1:95-CR-1-1  
- - - - -

December 12, 1995

Before KING, SMITH, and BENAVIDES, Circuit Judges.

PER CURIAM:\*

Appellant appeals from his guilty plea conviction and sentence for conspiring to possess with intent to distribute a controlled substance, in violation of 21 U.S.C. §§ 841(a)(1) and 846. He contends that the district court erred in applying a two-level enhancement for his leadership role in the offense under U.S.S.G. § 3B1.1(c). We have reviewed the record and the district court's oral ruling and find no reversible error.

\* Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the court has determined that this opinion should not be published.

Accordingly, we affirm on the reasoning of the district court.

AFFIRMED.
