Appeal from the United States District Court  
for the Eastern District of Texas  
(6:95-CV-240)

---

June 21, 1996

Before SMITH, BENAVIDES, and DENNIS, Circuit Judges.

PER CURIAM:\*

Michael Magoon appeals the dismissal of his suit under 28 U.S.C. § 1915(d). Magoon contends that medical personnel should have performed an x-ray on his back and should have concluded that his prior back injuries precluded him from working. His complaints are, at best, either allegations of negligent treatment or disputes regarding the type of treatment he received and, thus, do not evidence constitutionally inadequate treatment. See *Johnson v. Treen*, 759 F.2d 1236, 1238 (5th Cir. 1985).

Magoon avers that he has been denied access to the court. Although the magistrate judge should have addressed Magoon's court-access claim, Magoon has not identified any reversible error. See *Walker v. Navarro County Jail*, 4 F.3d 410, 413 (5th Cir. 1993). Accordingly, the judgment is AFFIRMED.
