Board of Immigration Appeals
BIA No. A099 618 500

Before WIENER, PRADO, and OWEN, Circuit Judges.

views. He does not argue that he was entitled to withholding of removal based on his religious beliefs or that he was entitled to relief under the CAT.

Ge has not shown that any past persecution was on account of his political views or that there was a clear probability that he would be persecuted on account of his political views upon his return to China. *See Roy v. PETITION DENIED.
