counsel's assessment that the appeal presents no nonfrivolous issue for appellate review.

There is a clerical error in the judgment. The written judgment states that McWilliams was convicted of possession of 50 grams or more of actual methamphetamine. McWilliams pleaded guilty to possession with intent to distribute 50 grams or more of actual methamphetamine. The written judgment should be corrected to accurately reflect the offense of conviction.

Accordingly, counsel's motion for leave to withdraw is GRANTED, counsel is excused from further responsibilities herein, and the APPEAL IS DISMISSED. *See* 5TH CIR. R. 42.2. This matter is REMANDED for correction of the clerical error pursuant to Federal Rule of Criminal Procedure 36.
