Lyle W. Cayce
Clerk

UNITED STATES OF AMERICA,

Plaintiff—Appellee,

versus

DUANE HUNTSBERRY,

Defendant—Appellant.

Appeal from the United States District Court
for the Western District of Louisiana
USDC No. 2:23-CR-224-1

Before JOLLY, JONES, and HAYNES, *Circuit Judges.*

PER CURIAM:*

Duane Huntsberry appeals his 120-month sentence for possession of a firearm by a convicted felon. He contends that the district court erred in applying an enhancement under U.S.S.G. § 2K2.1(b)(6)(B) because the record does not establish that he possessed a firearm in connection with

No. 24-30459

another felony offense. We review Huntsberry's unpreserved argument for plain error. *See Puckett v. United States*, 556 U.S. 129, 135 (2009).

The district court's determination that Huntsberry possessed controlled substances with the intent to distribute is plausible in light of the record as a whole. *See United States v. Jeffries*, 587 F.3d 690, 692 (5th Cir. 2009). The record also supports a plausible inference that Huntsberry's firearm possession facilitated, or had the potential of facilitating, his drug trafficking offense. *See id.* at 694-95. Accordingly, Huntsberry has not established that the district court clearly or obviously erred in applying the § 2K2.1(b)(6)(B) enhancement. *See Puckett*, 556 U.S. at 135.

AFFIRMED.
