IN RE COMPLAINT OF JUDICIAL MISCONDUCT
UNDER THE JUDICIAL IMPROVEMENTS ACT OF 2002.

ORDER

Complainant, a federal detainee, has filed a complaint alleging misconduct by a Chief United States District Judge (“Judge A”) and a United States District Judge (“Judge B”) in Complainant’s pending criminal proceeding.

Complainant complains that the judges “refuse to address my concerns and/or complaints” regarding alleged prosecutorial misconduct “because I am represented by counsel whom [sic] refuse[s] to address the issue[s].”

The complaint relates directly to the merits of decisions or procedural rulings, including Judge A’s decisions not to respond to motions, “notices of intent,” and letters related to a case pending before Judge B, and is therefore subject to dismissal under 28 U.S.C. § 352(b)(1)(A)(ii). The complaint procedures in 28 U.S.C. §§ 351-364 may not be used to challenge the correctness of a judge’s decision or ruling.

This is Complainant’s second complaint alleging misconduct by Judge B in the same proceeding, and he repeats allegations made in his prior complaint. The filing of repetitive complaints is an abuse of the complaint procedure. Complainant is WARNED that should he file a further merits-

related, conclusory, frivolous, or repetitive complaint, his right to file complaints may be suspended, and unless Complainant is able to show cause why he should not be barred from filing future complaints, the suspension will continue indefinitely. *See* Rule 10(a) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings.

The complaint is DISMISSED. An unredacted private order is entered simultaneously herewith.
