

The Clerk's Office, as directed by the court, provides the following information regarding oral argument in case No. 23-10362, Alliance for Hippocratic Medicine, Et Al. v. FDA, Et Al.

On Wednesday, May 17, 2023, the court will hear oral argument in this case in the En Banc Courtroom, Room 209, of the John Minor Wisdom United States Court of Appeals Building, 600 Camp Street, New Orleans, LA. The argument will begin promptly at 1:00 p.m. The Court is allowing each side forty minutes for argument.

We will reserve a limited number of seats for credentialed members of the press. Press should contact Charles Whitney (charles_whitney@ca5.uscourts.gov or 504-310-7679) before 12:00 p.m. CST on Friday, May 12, 2023, to request reserved seating.

Others wishing to attend the argument should be at the main entrance to the courthouse on Camp Street by 12:00 p.m. on May 17. At that time, court staff will issue seating numbers to those in line. In the event of inclement weather, staff will issue numbers inside the building.

As seating in the En Banc Courtroom is limited, the court will broadcast a live audio feed of the argument into the East Courtroom, Room 223, for the benefit of any visitors who do not receive seats in the En Banc Courtroom. An audio livestream of the argument will be available at this link: [En Banc Courtroom](#). We also will make the recording of the argument available online within one hour of the conclusion of the argument.

All visitors must show photo identification and undergo a thorough security screening to enter the courthouse. To decrease the screening time required, we encourage visitors not to bring any electronic devices into the courthouse. No signs, placards, or messages on clothing are permitted in the courthouse.

After admission to the courtroom, visitors must remain in seats until the end of the hearing and must be silent during the proceedings.

Special notice: No visitor or member of the press may use any electronic device, such as a cell phone, voice recorder, laptop, or other equipment while in the courtrooms. Neither visitors nor the press may blog, tweet, or otherwise transmit contemporaneous or live transcription or observations or other messages from the courtroom. Any person with an electronic device must turn the device off (not just mute or silence the device or put it in airplane mode). Court Security Officers will remove any individual violating these rules and refer the violation to the court for possible action.

Finally, food and beverages (including bottled water) are strictly prohibited in the courtrooms.
