Appeal from the United States District Court
for the Northern District of Texas
USDC No. 3:13-CV-1588
USDC No. 3:14-CV-1069

Before WIENER, CLEMENT and HIGGINSON, Circuit Judges.

No. 16-10122

PER CURIAM:*

This appeal arises from extended and protracted motion practice in the district court between Defendant-Appellant and Plaintiff-Appellee that followed their Settlement Agreement which, unfortunately, failed to settle the parties' disagreements because of their differing interpretations of that contract. We have thoroughly reviewed the record on appeal, including the briefs of the parties, the Defendant-Appellant's record excerpts, and, particularly, the district court's extensive and detailed explanation in its Order of January 6, 2016, which resulted in its Final Judgment of that date. Concluding that nothing would be gained by our reiterating the district court's painstaking explanation for its rulings, we affirm that court's Judgment, essentially for its express reasons.

AFFIRMED.
