Lyle W. Cayce
Clerk

No. 20-50889
Summary Calendar

UNITED STATES OF AMERICA,

Plaintiff—Appellee,

versus

JAIME MARTINEZ-ROJAS,

Defendant—Appellant.

Appeal from the United States District Court
for the Western District of Texas
USDC No. 3:20-CR-716-1

Before HIGGINBOTHAM, JONES, and COSTA, *Circuit Judges.*

PER CURIAM:*

Jaime Martinez-Rojas appeals the within-guidelines sentence of 30 months of imprisonment and three years of supervised release imposed following his guilty plea conviction for illegal reentry after removal from the United States. He argues that 8 U.S.C. § 1326(b) is unconstitutional because

* Pursuant to 5TH CIRCUIT RULE 47.5, the court has determined that this opinion should not be published and is not precedent except under the limited circumstances set forth in 5TH CIRCUIT RULE 47.5.4.

No. 20-50889

it increases the statutory maximum sentence based on the fact of a prior felony conviction neither alleged in the indictment nor found by a jury beyond a reasonable doubt. He concedes that the issue is foreclosed by *Almendarez-Torres v. United States*, 523 U.S. 224 (1998), and he seeks to preserve the issue for further review. The Government filed an unopposed motion for summary affirmance agreeing that the issue is foreclosed and, in the alternative, a motion for an extension of time to file a brief.

As the Government argues, and Martinez-Rojas agrees, the sole issue raised on appeal is foreclosed by *Almendarez-Torres*. See *United States v. Wallace*, 759 F.3d 486, 497 (5th Cir. 2014); *United States v. Pineda-Arrellano*, 492 F.3d 624, 625-26 (5th Cir. 2007). Because the issue is foreclosed, summary affirmance is appropriate. See *Groendyke Transp., Inc. v. Davis*, 406 F.2d 1158, 1162 (5th Cir. 1969).

Accordingly, summary affirmance is GRANTED, and the judgment of the district court is AFFIRMED. The Government's alternative motion for an extension of time to file a brief is DENIED.
