Appeal from the United States District Court
for the Northern District of Texas
No. 3:21-CV-2252

No. 21-10988

Before SMITH, STEWART, and GRAVES, *Circuit Judges*.

PER CURIAM:*

Marco Montemayor sued numerous defendants, raising only state-law claims. He made no effort to support federal jurisdiction by showing, *inter alia*, diversity of citizenship or amount in controversy. The magistrate judge issued a cogent four-page recommendation, including findings and conclusions, calling for the matter to be *sua sponte* dismissed without prejudice for want of subject-matter jurisdiction. The district court accepted the recommendation and issued a final judgment of dismissal without prejudice.

The judgment is AFFIRMED.

* Pursuant to 5TH CIRCUIT RULE 47.5, the court has determined that this opinion should not be published and is not precedent except under the limited circumstances set forth in 5TH CIRCUIT RULE 47.5.4.
