

United States Court of Appeals for the Fifth Circuit

No. 25-11342
Summary Calendar

United States Court of Appeals
Fifth Circuit

FILED

August 31, 2026

Lyle W. Cayce
Clerk

UNITED STATES OF AMERICA,

Plaintiff—Appellee,

versus

DAMON TONYADO JOHNSON,

Defendant—Appellant.

Appeal from the United States District Court
for the Northern District of Texas
USDC No. 3:24-CR-549-1

Before DAVIS, RICHMAN, and OLDHAM, *Circuit Judges*.

PER CURIAM:*

Damon Tonyado Johnson pleaded guilty to bank robbery and was sentenced to 200 months of imprisonment. He contends this sentence is substantively unreasonable, arguing that the district court erred by placing undue weight on offenses he committed as a teenager.

* This opinion is not designated for publication. *See* 5TH CIR. R. 47.5.

No. 25-11342

The record reflects that after considering the facts of the case and both aggravating and mitigating factors, the district court relied on Johnson's criminal history and the 18 U.S.C. § 3553(a) factors to vary upward from the guidelines range. Johnson fails to show an abuse of the district court's discretion. *See Gall v. United States*, 552 U.S. 38, 51 (2007). Accordingly, we AFFIRM.
