Appeal from the United States District Court
for the Eastern District of Louisiana
CA 90 3902 1

June 15, 1993

Before JOHNSON, JOLLY and JONES, Circuit Judges.

PER CURIAM:*

*Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.

The court has carefully considered the excellent briefs and oral arguments presented on behalf of all parties herein and is of the opinion that the judgment of the district court was correct. Accordingly, the district court's judgment is **AFFIRMED** on the basis of its memorandum opinions entered June 13 and August 20, 1992.
