Appeal from the United States District Court
for the Eastern District of Louisiana

(CA-90-575-H-4)

(December 10, 1993)

Before GARWOOD, SMITH and DeMOSS, Circuit Judges.

PER CURIAM:*

We have carefully reviewed the briefs, the record excerpts, and relevant portions of the record itself; and for the reasons stated by the district court in its memorandum ruling entered on

* Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.

May 25, 1993, we are satisfied that the summary judgment herein in favor of Hyosung Industries Co., Ltd. and Hyosung Corporation was correct; and

Accordingly, we AFFIRM the judgment of the district court.
